#### ■ Advanced Learner Loan

If you aren't eligible for a free course or to have your fees lowered, don't worry, you can still study some Level 3 or higher courses with an Advanced Learner Loan.

There's nothing to pay upfront and you don't have to pay anything back until you're earning over £25,000 a year. Even then, you only pay back 9% of what you earn above this amount and after 30 years, your remaining loan is written off entirely.

What's more, if you apply for an Advanced Learner Loan to study an Access to HE course, any remaining loan will be written off once you complete a higher education course.

#### Eligibility:

- Aged 19+ at the start of the course
- Be studying an eligible course at Level 3 or higher
- Be a UK resident (meeting Student Finance England nationality or residency status).
